INDEPENDENT AUDITORS' REPORT

**To the Board of Directors
International Center for Research on Women
Washington, D.C.**

We have audited the accompanying consolidated financial statements of International Center for Research on Women ("ICRW") (a nonprofit organization), which comprise the consolidated statements of financial position as of September 30, 2017 and 2016, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to ICRW's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ICRW's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of ICRW as of September 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

INTERNATIONAL CENTER FOR RESEARCH ON WOMEN

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

September 30, 2017 And 2016

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

ORGANIZATION AND PURPOSE

The International Center for Research on Women ("**ICRW**") is a private, non-profit organization, dedicated to promoting social and economic development with women's full participation. ICRW works in collaboration with policymakers, practitioners and researchers throughout Africa, Asia and Latin America in formulating policy and actions concerning: the economic, social and health status of women in developing countries; women's critical contributions to development, given their dual productive and reproductive roles; and policy and program features that can improve the situation of poor women while making development interventions more effective.

Focusing on economic policies, family and household structure, health and nutrition, and agriculture and the environment, ICRW's programs consist of policy-oriented research, program support and analysis services, and communications forums.

ICRW has liaison offices in India, International Centre for Research on Women ("**ICRW – ARO India**") and Kenya, International Centre for Research on Women – East Africa Regional Office ("**ICRW – EARO Kenya**"), that carry on programmatic activities that supports the overall mission of ICRW. ICRW – ARO India is incorporated as a limited company under Section 25 of the Companies Act, 1956 and has been registered to receive foreign funds under the Foreign Contribution (Regulation) Act, 1976. ICRW – EARO Kenya is incorporated under Section 10 of the Non-Governmental Organizations Co-ordination Act. Both organizations have separate Board of Directors. ICRW has elected to consolidate ICRW – India and ICRW – Kenya as it has both control through agreements and economic interest in the organizations.

BASIS OF PRESENTATION

The accompanying financial statements are presented on the accrual basis of accounting and include the accounts of ICRW, ICRW – India and ICRW – EARO. Consequently, revenue is recognized when earned, contributions and pledges when received and expenses when the obligations are incurred. Significant intercompany transactions and balances have been eliminated in consolidation.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of monies deposited in various checking accounts and certificates of deposit with an original maturity of three months or less.

FOREIGN CURRENCY TRANSLATION

In addition to ICRW's U.S. office, ICRW maintains offices in Kenya and India. The U.S. Dollar ("Dollars") is the functional currency for ICRW operations. Transactions in the currency other than U.S. Dollars are translated into dollars at the rate of exchange in effect during the month of the transaction. Current assets and liabilities denominated in non-U.S. currency are translated into Dollars at the exchange rate in effect at the date of the Statements of Financial Position.

INVESTMENTS

ICRW records investments in securities at fair market value with the resulting gains and losses reported in the statement of activities. The fair market value of investments traded on a securities exchange is determined based on quoted prices for those investments.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS – (Continued)

September 30, 2017 And 2016

ACCOUNTS, CONTRACTS AND CONTRIBUTIONS RECEIVABLE

Accounts, contracts and contributions receivable approximate fair value. Management considers all amounts to be fully collectible. Accordingly, an allowance for doubtful accounts has not been established.

FURNITURE, EQUIPMENT AND LEASEHOLD IMPROVEMENTS

Furniture, equipment and leasehold improvements are recorded at cost. Depreciation and amortization is provided on a straight-line basis over the estimated useful lives of the assets or, where applicable, the terms of the leases, whichever is shorter. The cost of furniture and equipment retired or disposed of is removed from the accounts along with the related accumulated depreciation, and any gain or loss is reflected in income. Major additions are capitalized while replacement, maintenance and repairs which do not improve or extend the lives of the respective assets are expensed. ICRW's capitalization threshold is \$1,500.

INCOME TAXES

ICRW was incorporated in 1976 under the laws of the District of Columbia and is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code as a publicly supported organization. ICRW is, however, subject to tax on the net profits generated by activities defined as unrelated business activities under applicable tax law. To date, ICRW has not engaged in such activities.

Management has reviewed the tax positions for each of the open tax years (years ended September 30, 2014 – 2016) or expected to be taken in ICRW's September 30, 2017 tax return and has concluded that there are not significant uncertain tax positions that would require recognition in the financial statements.

NET ASSET CLASSIFICATION

Net assets, revenue, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of ICRW and changes therein are classified and reported as follows

- **Unrestricted net assets** include unrestricted revenue and contributions received without donor-imposed restrictions. These net assets are available for the operation of ICRW and include both internally designated and undesignated resources.
- **Temporarily restricted net assets** include revenue and contributions subject to donor-imposed stipulations that will be met by the actions of ICRW and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statements of Activities and Changes in Net Assets as net assets released from restrictions.

GRANTS, FEDERAL AND NON-FEDERAL CONTRACTS, AND CONTRIBUTIONS

Revenue received from cost-reimbursable contracts is recognized when expenses have been incurred. Contract awards received in exchange for services, but not expended for the purpose of the contract, are reflected as refundable advances in the accompanying Statements of Financial Position.

Contributions and grants are recorded as revenue in the year notification is received from the donor. Temporarily restricted contributions and grants are recognized as unrestricted support only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statements of Activities and Changes in Net Assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

CONCENTRATION OF CREDIT RISK

ICRW occasionally maintains deposits in excess of federally insured limits. Accounting Standards Codification (“ASC”) 825, “*Financial Instruments*”, identifies these items as a concentration of credit risk requiring disclosure, regardless of the degree of risk. The risk is managed by monitoring the financial institutions in which deposits are made.

Additionally, ICRW maintains field offices in India and Kenya. ICRW had approximately \$47,000 and \$77,500 of cash and cash equivalents held at financial institutions and on hand in foreign countries as of September 30, 2017 and 2016, respectively. The funds held in foreign countries are uninsured.

RECLASSIFICATIONS

Certain reclassifications were made to the 2016 financial statements to conform to the 2017 presentation.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS – (Continued)

September 30, 2017 And 2016

ICRW utilized various methods to measure the fair value of its investments on a recurring basis. Generally accepted accounting principles establish a hierarchy that prioritize inputs to valuation methods. The three levels of the fair value hierarchy are described below:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities that ICRW has the ability to access.

Level 2 – Observable inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, prepayment speeds, credit risk, yield curves, default rates and similar data.

Level 3 – Unobservable inputs for the asset or liability, to the extent relevant observable inputs are not available, representing ICRW’s own assumptions about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available.

The inputs methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

The summary of inputs used to value ICRW’s investments as of September 30, 2017 and 2016 is as follows:

	<u>2017</u>

(9) LEASE AND OTHER COMMITMENTS AND CONTINGENCIES

On April 1, 2016, ICRW renewed and extended the lease terms of a portion of its original office space lease in Washington D.C. through September 30, 2027 (the “expiration date”). Additional options are available to renew the lease or terminate the lease prior to its expiration date. In connection with the lease extension, ICRW was granted a ten-month rent holiday and an allowance for certain renovation costs which amounted to approximately \$1,200,000. The rent holiday and reimbursement for renovation costs have been capitalized and are being amortized over the expected life of the lease. ICRW is also responsible for its portion of certain operating expenses.

ICRW also rents office space in Mumbai and Delhi, India. These leases are on a month-to-month or annual basis.

The following is a schedule of future minimum rental payments required under these non-cancelable operating leases for the Washington, D.C. office as of September 30, 2017:

<u>Year Ending June 30,</u>	<u>Amount</u>
2018	\$ 796,990
2019	816,909
2020	837,308
2021	863,626
2022	890,584
Thereafter	<u>4,798,020</u>
	<u>\$9,003,437</u>

Rent expense was \$1,069,914 and \$885,603, for the years ended September 30, 2017 and 2016, respectively, net of rental income of \$267,239 for the year ended September 30, 2016. All agreements of space sub-leased by ICRW to other organizations were terminated as of September 30, 2016.

OTHER COMMITMENTS

At September 30, 2017 ICRW had obligated funds through various sub-agreements for research and program support with third-party organizations in the amount of \$987,819, payable in installments according to the terms of the various sub-agreements. The liability for these obligations will be recorded when the expenses have been incurred by the sub-grantees.

CONTINGENCY

Under the terms of the U.S. Government grants, which are made based upon the acceptance by the U.S. Government of the program proposals submitted by ICRW, amounts are stipulated for both direct program costs and administrative overhead costs. The administrative overhead rate used by ICRW, while provisionally approved, is subject to review and final approval by the U.S. Government. The administrative overhead rate has been approved through September 30, 2015. Management believes that any adjustment to the 2016 and 2017 administrative overhead rates, if any, will not have a material effect on the financial position or operating results of ICRW.

(10) PENSION PLAN

ICRW maintains a Section 403(b) tax-deferred annuity pension plan for its employees. The plan provides employer contributions at the rate of seven percent of eligible compensation after employees complete one year of service. The pension contributions for the years ended September 30, 2017 and 2016 were \$317,613 and \$289,286, respectively.

(11) BUSINESS COMBINATION

During the 2017, a business combination plan (the “Plan”) between ICRW and Re:Gender was approved by the Attorney General of the state of New York. The Plan was made as a result of the discontinuation of Re:Gender’s core support grants from one contributor and its desire to transfer its assets to a “like-minded” organization. Re:Gender and ICRW have complementary missions with the primary difference being the location in which their research is performed. As a result of the Plan, ICRW is continuing Re:Gender’s mission by building domestic issues and research into their global research agenda.

Under the terms of the Plan, ICRW’s existing by-laws remained intact and governance of the combined entity is largely be made up of existing ICRW board members. Net assets of approximately \$1,860,000 consisting of cash and investments were transferred to ICRW upon approval of the Plan.

(12) SUBSEQUENT EVENTS

In preparing these consolidated financial statements, ICRW has evaluated events and transactions for potential recognition or disclosure through February 8, 2018, the date the financial statements were issued.
